Submitting all stips upfront =
faster turnaround + stronger approvals

Meet VOX SYNQ Your All-in-One Deal Portal

Say goodbye to endless email threads.
With VOX SYNQ, ISOs manage the entire
deal flow in one place.

What You Can Do in SYNQ:

- Upload stips directly into the deal file
- Request changes to offers (send competing offers straight to underwriting)
- Track status and approvals in real time
- View fundings, renewals, and payoff letters
- Organize everything by client for easy access

Why ISOs Love SYNQ:

- Keeps everything in one secure portal
- Cuts down on processing delays
- Gives visibility into deal progress
- Faster communication with underwriting
- Updated offers appear directly in the portal

Business Line of Credit Overview

Our Line of Credit program provides flexible access to working capital with a clear, structured repayment plan.

Program Details

Funding size:	\$75,000 - \$150,000
Minimum Draw:	20% of total line value
Structure:	Non-revolving (balance does not replenish after repayment)

Fees & Commission

Upfront Fee:	3% of total line
Commission:	3% on face value + 3% on each draw

Repayment Terms

Week 1-24:	Interest-only at 1.25% weekly
Week 25 onward:	Amortized payments (principal + interest)
Total Term:	76 weeks

Key Benefits

- Larger access to capital than traditional MCA
- Lower initial payments during the first 6 months (interest only)
- Straightforward repayment schedule
